

CEO ACADEMY

"Empowering Florida's Future Business Leaders"

Monday, June 23rd to Friday June 27th, 2014
9 AM to 4 PM

**Lutgers College of Business,
Florida Gulf Coast University**

Junior Achievement of Southwest Florida and Lutgers College of Business at Florida Gulf Coast University present the CEO Academy, a one week summer camp to help prepare young aspiring entrepreneurs to be the outstanding business leaders and CEOs of tomorrow! Open to rising high school juniors and seniors from Southwest Florida, the CEO Academy teaches students the basics of starting and operating a successful business. With the guidance of experienced local business leaders, entrepreneurs, and FGCU professors, academy participants work in project teams to develop a unique business concept and comprehensive business plan. At week's end, a panel of Junior Achievement Laureates, who have been recognized for their own exceptional practices in entrepreneurship, act as expert judges for the business plan competition. A \$1,000 college scholarship will be awarded to each student on the winning team. This opportunity provides students with invaluable knowledge and experience from successful business leaders and entrepreneurs, an excellent addition to a college application and the chance to participate in future Junior Achievement events.
